Another issue to keep in mind is the Monday 10/9 Columbus day holiday. Most of the current CL and FOBs are scheduled to demob on 10/3. Not sure how many of these staff can stay and demob on 10/6.

Logistics has asked when they can begin scheduling the demob of the RVs. They have reminded me that it takes 2 weeks to demob both camps and the contract on the RVs ends 10/30. Steve Mason reminded us that the MA ends on 10/12. Are we planning on sending additional staff out beyond 10/12? Can Logistics begin to demob the RVs in Corpus on 10/7 ( the last day for each of the current rotation of FOBs and CLs)?
